TWO OFFSHORE MARINE

A Company Profile

The Two Offshore Marine logo is a symbol of pride in being a Malaysian company on the crest of growth in the oil and gas business. Taking inspiration from the Jalur Gemilang, the crescent moon and 14-point star also represents our multi-cultural people and the relentless ambition to excel that unifies them. The vivid and striking red is our primary brand colour and aptly conveys our passion and energy to exceed all expectations, while the choice of strong and bold fonts reflects our management team's commitment to always deliver the best solutions to our customers.
