

20200921

The **Two Offshore Marine** logo is a symbol of pride in being a Malaysian company on the crest of growth in the oil and gas business. Taking inspiration from the Jalur Gemilang, the crescent moon and 14-point star also represents our multi-cultural people and the relentless ambition to excel that unifies them. The vivid and striking red is our primary brand colour and aptly conveys our passion and energy to exceed all expectations, while the choice of strong and bold fonts reflects our management team's commitment to always deliver the best solutions to our customers.

THE BEST AND MOST RELIABLE ACCOMMODATION WORK BARGE IN SOUTH EAST ASIA

OUR STORY

TWO WORDS

That's all it takes to describe each of our strengths.

Malaysian owned.

Rising star.

Exceeding expectations.

Impeccable quality.

Exceptional service.

National pride.

The list goes on.

Because TWO is more than our name.

It's who we are.

OUR VISION

To become a globally respected Malaysian brand regarded for exceptional service and reliability in the Oil and Gas service industry.

OUR MISSION

- To ensure our clients experience the best value from our high standards of service and superior product offerings.
- To be second to none in Health, Safety & Environment standards among Malaysian OGSE companies.
- To become an industry icon in good governance, exceptional services and an inspiring place to work.
- To continually build value for our shareholders and stakeholders by exploring and investing in opportunities in the Malaysian Oil & Gas industry and other synergistic industries.

WHAT WE BELIEVE

TWO OFFSHORE MARINE is...

Customer-centric

A commitment to never stop improving our services and our solutions so that we are always the first choice partner to our customers.

Forward Thinking

A relentless and passionate drive to keep moving forward, innovating and growing value for our company and shareholders.

United

A guiding belief that our company and our people are one and the same and that we can only move forward and grow together.

Principled

A shared responsibility to always operate with the highest moral standards and integrity in all our daily interactions, both internal and external.

Conscientious

A solemn obligation to set the bar for Health, Safety and Environment quality in all aspects of our operations, creating a nurturing work environment and doing our part to help create a more sustainable planet.

WHO WE ARE

Two Offshore Marine is a 100% Malaysian-owned offshore services and solutions provider of the highest competency and quality in the Malaysian oil and gas industry.

Since its inception in 2016, it has quickly built a stellar reputation within the industry, thanks to its dedicated core of seasoned professionals, an excellent management team, and a modern fleet of vessels that meet or surpass industry standards.

Its dedication towards achieving best practises in Health, Safety and Environment (HSE) has distinguished the company further.

Offering a wide array of services in support of the oil and gas landscape, Two Offshore Marine is at the forefront of growth poised to sweep the region in the 2020s and beyond.

WHERE WE'RE GOING
